**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I rely on the completively priced Sonic internet connection in my home for work and for my children to do school assignments online (internet accessibility is expected by schools and teachers these days). I live in the metropolitan bay area, not a remote area, and yet there are alarmingly few alternatives in this area. The other two options are so expensive! I appreciate having an option that fits within my family's budget.

Thank you.
